Gift Aid Declaration

I confirm that I am a UK Income or Capital Gains taxpayer. I have read this statement and want First Presbyterian Church Armagh to reclaim tax on the donation detailed above, given on the date shown. I understand that if I pay less Income Tax / or Capital Gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay any difference.

STEPPING FORWARD AND PIPING UP

I am sure you have noticed how there has been lots of construction work going on around First Armagh in the last few months. The steps have been repaired, the railings renewed, and the ramp to the Temple Lundie room erected. Don't the steps look spectacular as you approach the Church from the Mall!

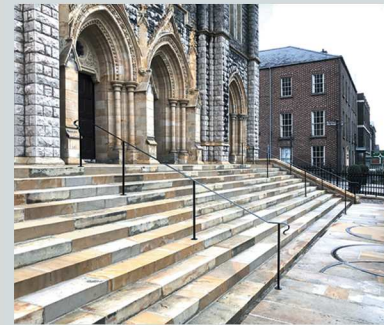

At the last meeting, the Congregational Committee made a unanimous decision to install a new kitchen in the Temple Lundie room and complete extensive work to the pipe organ. To step forward into a new future we need to modernise and maintain health and safety standards in our kitchen which has been used more extensively for catering in recent years. The organ was the first to be installed in a Presbyterian Church in County Armagh. We are fortunate to have a talented organist in Elise Crean. However, in order to maintain the organ and to become a hub for musical excellence, it has become obvious that we need to make extensive repairs. A few years ago, the Kirk Session formulated a Mission Statement which emphasised the need to be "a warm, serving, inclusive church". We feel the kitchen facilities will help us make the church a more hospitable place. The Mission Statement also talked about, "a focus on the worship of God Father, Son, and Holy Spirit." The repaired organ will help us to maintain and improve standards in worship for another generation in First Armagh. The total cost of these capital projects will be around £175,000. While we have been fund raising for a few years now, we will still need to raise a further £60,000 to replenish the Reserve Account.

Psalms 150 verse 6 encourages us to step forward into God's future and pipe up in our worship.

*"Let everything that has
breath praise the Lord."*

Psalms 150 v 6

Reverend Tony Davidson

3 WAYS YOU CAN HELP...

1. You can sponsor one of the 200 steps at a cost of £150. This can be made by a single payment or monthly standing order of £15 over 10 months.
2. You can sponsor one of the Organ pipes at a cost of £500. This can also be made by a single payment or monthly standing order of £50 over 10 months.
3. You can simply make a single donation for any amount through your weekly R&I envelope.

If you want to help, I would ask you to insert your personal details on the next page and mark your preferred donation/payment option. I would also ask, if you are a tax payer, that you consider completing the Gift Aid declaration. This can add 20% to the value of your donation.

If your preferred option is a regular monthly standing order, you will have to contact your bank directly to set up the standing order. The bank details of the relative Church bank account are detailed overleaf. Please ensure your FWO number is included as a reference.

We are currently developing a visible means of acknowledging all sponsors/donors. If you wish your support to be in memory of someone or to be anonymous, please advise us.

Finally, I would ask that you return the completed form, with your donation if appropriate, to Heather Stevenson.

Any support you can give to this project is greatly appreciated.

Geoff Hooks
Chairperson
Congregational Committee
