Apple

1. Lesson 2 Corinthians 1 v1-17

2. Use an apple to explain the Trinity ?

- An apple has three parts: the seeds, the flesh, and the skin. When you cut an apple in half, you can see that each of these three parts are different
- The skin is like God the Father because He protects us.
- The flesh is like God the Son because Jesus Christ took on human flesh.
- The seeds are like God the Holy Spirit because He through His power, we grow in faith.
- Each of the parts of an apple are different, but they are ALL apple.
- So are the persons of God all different (Father, Son and Holy Spirit), yet they are ALL God.

3. Think about how children can comfort or help others. Could do a helping exercise.

4. Do “word search”, and or “Listen and Learn” if appropriate

5. Memory verse 2 Corinthians 1v3 “ Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort.”

Play “Father we adore you lay our lives before You”. You can find it if you google it.
